

# Learning to Cartoon Sponge Bob

<p><b>Final Drawing</b></p>  <p>A complete black and white line drawing of Sponge Bob SquarePants. He is shown from the waist up, wearing his signature square pants and a small tie. He has a large, friendly smile, showing his teeth. His eyes are large and round. He has two small antennae on his head. His arms are raised in a cheerful gesture, and his legs are also raised. The drawing is detailed, showing the texture of his sponge body and the buttons on his pants.</p>	<p><b>Step 1</b></p>  <p>A simple blue outline of the basic shape of Sponge Bob's body. It is a rounded rectangle with a slightly curved top edge and a slightly curved bottom edge. The shape is tilted slightly to the right.</p>
<p><b>Step 2</b></p>  <p>The blue outline from Step 1 is now shown in a 3D perspective. A vertical line is drawn on the right side, and a horizontal line is drawn at the bottom, creating a sense of depth and volume.</p>	<p><b>Step 3</b></p>  <p>The 3D shape from Step 2 is further refined. Two horizontal lines are drawn near the bottom edge, representing the buttons on Sponge Bob's pants. The lines are parallel and spaced evenly.</p>
